## Parking Lot Procedures

Dear Purchase Day Camp Parents,

Our drop-off and pick-up process can be time-consuming based upon traffic flow on Purchase Street. The Harrison Police Department has advised us to utilize the process listed below to maintain safety and increase efficiency during high congestion times in our parking lot. This procedure has worked for the past several years, so I am asking for your patience and cooperation. Like you, **SAFETY IS OUR NUMBER ONE PRIORITY.**

At certain times, ***cars will not be allowed to turn left out of our parking lot*** to head south on Purchase Street. This procedure will be in effect from ***8:40am till 9:15am*** and again from ***3:40pm to 4:15pm***.

- All cars will exit our lot by turning right and going around the triangle to the stop sign at Cottage Avenue and Purchase Street.
- From that stop sign, cars will head south (left) onto Purchase Street or north (right) onto Purchase Street.
- Cars heading to White Plains should turn right (north) onto Purchase Street and then go down Barnes Lane through Silver Lake to get to North Broadway.

We have mailed you your **Carpool Number**, which includes an **assigned AM Drop-Off Time** between 8:35am and 8:50am. You have the option to come before the traffic restrictions go into effect. We recognize that this time may not work for your schedule. However, if most of our parents can arrive near their drop off time, that will also alleviate a lot of traffic on the street and make our process fast, efficient and most of all SAFE. ***No matter what your assigned drop off time, we encourage you to drop off earlier.***

We will be ready to receive campers as early as 8:35am. For more detailed information on our transportation procedures, please scan the QR code below to reference the 2024 Parent's Guide (pages 12 – 14). As always, I am available to answer any questions. Please feel free to call the main office at 914-949-2636. I look forward to another great summer serving your family.

Warm Regards,
