

2022 Aquatics Permission Slip

Dear Parent or Guardian,

All day camps in Westchester County must adhere to the New York State Sanitary Code, Sub-Part 7-2; Children's Camps. One of the amendments requires that a parent or guardian of each camper give written permission to participate in aquatic activities including instructional and free swim.

In order for your camper(s) to participate in aquatic activities at Purchase Day Camp, you must complete this permission slip with signature and date. We will not be permitted to allow any camper without a permission slip to go into the pools.

I, _____ give permission for the campers listed below to participate
(Parent or Guardian Name)
 in aquatic activities at Purchase Day Camp.
