Form #1 - Camper Medical Information

Form 1A: To be filled out by the parent or guardian of record.

- Fill out the **Health Information** section and be sure to sign.
- Sign the **Emergency Treatment Release**

 - **Insect Repellent Permission:** Sign to give permission for Insect Repellent, that you supply, to be reapplied to your child daily.

Form 1B: To be filled out by your child's physician.

- The physician may attach their own form instead of filling out 1B.
- Be sure your child's physician signs either the attached form or Form 1B.
- **Please Note:** The Department of Health has indicated that they want to require MMR for all campers and staff. As of May 1, 2020, that is not the law, but they may enact it before camp begins. Please make every effort to have your child immunized in case they surprise us with this requirement this year.

Form #2 - Emergency & Pickup Permission

- Make sure any preprinted info listed is correct. Please cross out incorrect information and update with corrected information.
- **NOTE:** Purchase Day Camp will release campers to either parent unless specific arrangements are made with the Camp Director.
- Add names of people you authorize to pick up your child. Please write a note in the **morning** on any day that someone other than a parent is picking up. All individuals should have identification when picking up.
- Three (3) Emergency Contacts are required in case your child needs to be picked up from camp due to illness or injury. **Please do not include parents since we will try all parent contact numbers first.** You may designate any pickup contact as an emergency contact by checking the box to the right of their name on the form.
- Be sure to sign at the bottom.

Form #3 - Aquatics Permission Slip

- All camps in Westchester County must adhere to the New York State Sanitary Code, Sub-Part 7-2; Children's Camps. One of the amendments requires that a parent or guardian of each camper provide written permission to participate in aquatic activities including instructional and free swim.
- Be sure that your camper(s) names are listed and sign at the bottom.

Authorization of Medication Administration - For all Campers Bringing Medication to Camp

We have enclosed the **Authorization of Medication Administration** form in this mailing to give plenty of time for you and your physician to fill out the necessary information. Please return this form with the medication before camp begins. You can download additional copies from our website.
