Spring 2022

Dear Parents,

At Purchase Day Camp we encourage communication between your family and ours. Beginning in May, we start our TEAM Member Trainings. One portion of that training will include a discussion of each camper with their TEAM Leader. The more information we have about your camper, the better. It is imperative that we receive that information in advance to best help us prepare for a most successful camp experience. We can do great things for your camper with the information we are given and that information can only come from you.

If you would like to share anything about your child with our staff, no matter how big or small, please take the time to write us a note and mail it, fax it (914)949-0955, or email it to camp@purchasehouse.com. We thank you in advance. **See the back side of this sheet for helpful tips on what to include when writing to us about specific issues.**

For camper's who have an IEP or 504 Plan at school and/or will receive services during their time at camp, please call (914)949-2636 and schedule an appointment with me to discuss how we can best help your child succeed.

Sincerely,

Dear Parents,

Here are some things to include when writing to us about your child regarding specific issues we may encounter here at camp,

1. What are the specific issues we are working on?

Examples:

- Gross Motor
- Dressing
- Attention Span
- Transitions

2. How do we know your camper is having difficulty?

- What will we see or hear that alerts us that the camper is having a problem?
- Will the camper withdraw?
- Will the camper act out?
- Will the camper separate from the group?

3. How do you manage it?

- What are the behavior modifications you use?
- Are there any special "buzz" words that will comfort your child?
- Are there any special actions?

Examples:

- Hand on shoulder
- Time away from the group

Thank You!
